# Kishorebabu S

**FULL-STACK DEVELOPER | AI ENGINEER**

Coimbatore, Tamil Nadu, India | s.kishorebabu8@gmail.com
GitHub | LinkedIn | LeetCode

## PROFILE

Full-stack developer and AI engineer experienced in building web applications, backend services, and AI-powered workflows. Develops end-to-end products with React, Node.js, Fastify, PostgreSQL, Python, LangChain, and large language models.

## EXPERIENCE

**Full Stack Developer | Codingmart Technologies** Sep 2026 – Present
Continue development across web applications and AI-related projects, building on experience in full-stack systems, application workflows, and AI integration.

**Developer Intern | Finestcoder** Oct 2025 – Aug 2026
Developed features for intern management and campus learning tools; contributed to conversational AI workflows; delivered assigned features independently and with development teams.

## SELECTED PROJECTS

### Interngo | Finestcoder

React, Node.js, Fastify, PostgreSQL, AWS · Built an intern management platform covering performance, attendance, resources, helpdesk, analytics, daily updates with Slack posting, and Google Meet scheduling.

### FC Labs — College Administration Panel | Finestcoder, Codingmart Technologies

Astro, React, Node.js, Fastify, PostgreSQL · Created administration interfaces and analytics to track campus trainers, workshops, participation, student progress, and top performers.

### AOKAH — GCC Orchestration Platform | Codingmart Technologies

Python, LangChain, RAG, FastAPI, NLP · Built data preparation and retrieval workflows for a conversational platform answering contextual questions about GCC projects, milestones, and tasks.

## TECHNICAL SKILLS

**Frontend:** React, Astro, Tailwind CSS, TanStack Query **Backend:** Node.js, Fastify, REST APIs **Cloud & Data:** AWS, PostgreSQL, SQL **AI:** Python, Generative AI, LLMs, LangChain, RAG, NLP, Hugging Face **Data:** Pandas, NumPy

## EDUCATION

**B.Tech, Artificial Intelligence and Machine Learning** — Hindusthan College of Engineering and Technology, Coimbatore | Graduated 2026
